Hosted by Aesthetica Magazine, the Aesthetica Art Prize is a celebration of excellence in art from across the world. It offers both emerging and established artists the opportunity to showcase their work to a wider audience and further their engagement with the international art world.

The Art Prize is open to works in any genre, and on any theme, however, they are particularly interested in works that reflect upon our ever changing world.

They accept entries from artists at all stages of their careers, and celebrate creativity in all its forms – including Painting and Drawing; Video, Installation and Performance; Photography, Digital Art & Installation; Artists' Film and more.

All artists are required to submit their works as images or videos through a submission form. If you are a shortlisted artist, you will be asked to supply artwork for the exhibition in York, UK.

Entry fees start from 25 GBP (approx. 30 USD).
