Fenn Young Designers Award (FYDA) was established in 2008 by Fenn Designers with the aim to:

- Assist and develop young talented designers
- Expose creativity and innovations
- Foster a forum for creative minds

This is an open ideas competition seeking creative, innovative proposals that explore the interpretation of 'Organic' using the following mediums:

- Architecture
- Interior design
- Product/graphic design
- Fashion design
- Photography
- Painting

How do you interpret 'Organic' if you are designing a building, a piece of furniture, a fabric, a dress, a painting or any other form of art?

All entries will be juried and awarded by a distinguished international panel of architects, designers, artists.

There is no entry fee.
