DETAILS / KEEP FOR REFERENCE

SOURCE: GRAPHIC COMPETITIONS

The International Poster Competition of Chaumont was launched in 1990 in order to value poster design on an international scale.

Only posters that were created within the last three years (2018, 2019, 2020) can be entered in the competition, regardless of their subject, their dimensions, their commissioners and the number of authors involved in the creation.

The jury selects approximately 100 posters that will be exhibited during the 3rd Biennale Internationale de Design Graphique organised by le Signe from 27 May to 26 September 2021.

The authors have the possibility of presenting posters as individual works or as series constituting a set (a series of several pieces corresponds to one work). Each participant in the competition can enter up to three projects.

There is no entry fee.

ELIGIBILITY

Open to all professionals, independent or employee, working for the public or private sector, regardless of their age or nationality.

PRIZE

• Grand Prix: 3,000 EUR • Prix Espoir: 1,500 EUR • Prix du Public: 1,000 EUR • Prix SAIF: 3,000 EUR
