The 37th Memorial María Luisa Photo and Video Contest (2026–2027) is accepting entries from photographers and filmmakers worldwide. Based in Asturias, Spain, the competition has 14 photography categories covering subjects such as mountain landscapes, climbing, rural life, wildlife and underwater ecosystems. A separate section accepts videos, films and documentaries about mountains, nature and adventure.

The Universe is this edition’s special photography theme. Entries can show celestial objects in close-up or as part of a scene photographed from Earth. This year also marks the introduction of a dedicated section for photographers with disabilities.

Entrants can submit up to five photographs per category and up to three videos. Photographs must be JPEG files with a longest side of 1,920 pixels and a maximum file size of 2 MB. The organisers prefer online submissions, and filmmakers can also enter through FilmFreeway.

Entry fee: Everyone can submit one photograph free of charge. A single €22 fee per entrant (including VAT) covers additional photographs and video entries across all categories. Entry is free for photographers under 19 on 1 December 2026 and for eligible entrants with disabilities.

ELIGIBILITY

Open to amateur and professional photographers and filmmakers worldwide who hold all rights to their entries and the material they contain, with no restriction on when the work was made, original camera files required for shortlisted photographs, and exclusions for images that materially alter the scene or show captive animals, models, pets or houseplants.

PRIZE

The overall photography winner receives €5,000, including the €300 category prize. Each of the 14 photography category winners receives €300. The best video, film or documentary earns a €3,000 FotoRuano voucher. The young photographer and disability awards each come with a Samsung 5G tablet, while the special Universe award comes with a Citizen NY0121-09X watch. Each award also includes a trophy, diploma, portfolio book and two invitations to the awards gala. The €5,000 prize and €3,000 voucher are subject to applicable tax deductions.
