SOURCE: GRAPHIC COMPETITIONS

The third printed issue of AAP Magazine will feature the best projects showcasing the theme "Travels".

They are looking for your travel photographs, near and far, to the edge of the earth and to the places perhaps known only to you. Whether you're hauling around a view camera and a tripod or just pulling a mobile phone out of your back pocket, they want to see what you've captured and how you're telling your story.

There's a world out there to explore. Open your eyes to its landscapes, people, cultures - on your doorstep or 10,000 km away. Expand our horizons and send your best portfolios!

You are welcome to submit up to 40 images. Photographs will be judged individually and not as a unified group of photos. Longest dimension should not exceed 1200 pixels, with a minimum size of 200 pixels. Digital file should not exceed 2 MB. No watermarks.

The Juror is Sandrine Hermand-Grisel, a professional photographer who specializes in Fine Art Photography and Printmaking.

Artist retains all copyrights to their own images. The artist's name and photo title will be included wherever the photographs are displayed.

Entry fee: 30 USD for the 3 first images. 5 USD for each additional image.

ELIGIBILITY

Open worldwide to professional and amateur photographers alike, age 18 and older.

PRIZE

Winners will receive 1,000 USD in cash awards, their winning image(s) or full portfolio published in AAP Magazine #3, extensive press coverage and global recognition.

All winners will have their work published in the third printed issue of AAP Magazine, a free copy of the magazine and their portfolio showcased in the AAP Winners Gallery.
