For the past 98 years, The ADC Annual Awards has continuously honoured the very best in meticulous craftsmanship in the worlds of design, advertising and other commercial creative arts.

From architecture to animation, from fashion to photography, from publication design to packaging, the ADC Annual Awards represents nearly a century of celebrating phenomenal artistry and craftsmanship.

And reaffirming its defining focus as the leading global awards program to celebrate all forms of craft, design and innovation, ADC has added two new stand-alone disciplines this year: Fashion and Spatial Design.

For the first time, an array of creative talents in the fashion industry — from fabric and apparel designers to fashion illustrators and jewellery designers — from both large and small companies will compete with one another and have their work judged by a jury of industry peers, to be announced shortly.

The same is true for Spatial Design, a conceptual design discipline that crosses boundaries of traditional design specializations such as building design, landscape architecture and design, interiors design, service design, certain areas of public art and more.

Entry Fees:

• Students: 50 USD • Freelancers: 100 USD • Company (2-50 Employees) & Individuals: 200 USD • Company (51+ Employees): 250 USD

Entries submitted after 31st January 2019 require a 50 USD per entry additional fee.

ELIGIBILITY

All entries must have been printed, published, aired or broadcast live online for the first time between 1st January 2018 and 24th February 2019 in any country. Entries may be submitted by any company or individual involved in the creation or production of the work.

PRIZE

Beyond the coveted Gold, Silver and Bronze Cubes, the ADC 98th Annual Awards also presents special honors for entrants that stand above even those prestigious accolades.

Winners will be announced at the ADC 98th Annual Awards ceremony on 6th May 2019 at the Metropolitan Pavilion in New York, as part of The One Club’s annual Creative Week.
