SOURCE: GRAPHIC COMPETITIONS

Adobe and Colossal Media are giving 10 female students from around the world the chance to make it on the biggest stage yet.

Whether you paint or animate, design apps or hand letter, or just have an idea you want to see blown up on the Brooklyn landscape you are welcome to enter. Each student will have their artwork painted on a giant wall in Brooklyn, NY, together becoming the largest student art show ever.

Just tag the best work in your Behance portfolio with #madethis #Colossal to grab attention for the opportunity.

You need a Behance portfolio and Creative Cloud skills. If you are not already a Creative Cloud member, download a free trial of all the Creative Cloud Apps here.

There is no entry fee.

ELIGIBILITY

Open worldwide to currently enrolled female students from all majors and backgrounds. You must be over the age of 18.

PRIZE

Each selected student will receive a cash payment and will get to travel to New York to see their walls in action and meet the team of Colossal painters.
