ANA, Japan’s largest airline, will upgrade the aircraft on its Tokyo-Honolulu route to the spacious, double-decker Airbus A380 starting in Spring 2019. To commemorate the deployment of these three new aircraft, ANA is inviting both pro and aspiring amateur artists to submit designs that will get people excited about visiting the tropical island paradise.

The entry design must not exceed A3 size (height 297 x width 420 mm). Entries must be an original, unpublished work created by the applicant for the purpose of this contest. Entries must not be anything that would infringe the rights of a third party.

The design selected will be replicated on the ANA aircraft. However there may be alterations to the design and/or the colour scheme. The final design implemented will include the ANA logo.

One individual may submit multiple entries.

There is no entry fee.

ELIGIBILITY

Open to anyone worldwide.

PRIZE

The Grand Prize winner will receive a pair of round trip tickets in business class between Tokyo and Honolulu, while runners up will receive original ANA souvenirs.
