Open to professionals internationally, Applied Arts Awards are Canada's largest multi-disciplinary competitions. Launched in 1992, the Applied Arts Awards are the only competition in Canada that recognize the creative work of professionals across the visual communications sector, from image makers to advertising executives to designers.

These awards are your best opportunity to promote your work to an audience of the best and brightest of the industry as well as to potential clients. Over the past 27 years, the Applied Arts Awards have become an international recognition of creative excellence.

For the Design Awards 2020, entries can be submitted in twelve main categories:

• Design • Packaging Design • Promotional Design • Editorial Design • Typography Design • Typeface Design • Craft Design • Digital Design – Content • Digital Design – Website • Motion Design • Young Blood (open to entrants who have been out of school for five years or less) • Community Design (to help artists working on smaller projects and local clients get the recognition they deserve)

Applied Arts contests are judged by panels of highly regarded industry professionals and experts in a rigorous process. Every entry is scored independently on creative merit, technical excellence and suitability for end use.

Entry fees start at $60 USD.

ELIGIBILITY

Open worldwide to all forms of commissioned, published, unpublished and personal work from professionals and enthusiasts created between March 2019 and February 2020. Only digital entries are accepted for this competition.
