Category: [Students Only](#)

Deadline: June 14, 2019

Website: <http://bit.ly/2tloCCw>

Open worldwide to post-secondary and high school students in creative advertising, graphic design, interactive media, photography and illustration programs, the **Applied Arts Student Awards** is the largest and most respected show of its kind in North America. *Applied Arts* is a highly-regarded visual communications magazine founded in 1986 in Canada.

Winning an *Applied Arts Student Award* is a great way to launch your career. Your submissions will be judged by a jury of 20 award-winning senior communications professionals, so you'll know how your work stands up according to the highest standards in the industry. What makes *Applied Arts Awards* unique is that winners are not ranked against each other. Each entry is judged individually and independently by each jury member. Work is given a score of 1 to 10, and all pieces that are judged to be at or above the cut-off score will be published as winners in the Awards Annual.

All entries are submitted digitally. There are no hard copy submissions.

Entries can be submitted in five main categories:

- **Advertising**
- **Design**
- **Digital & Gaming**
- **Photography & Illustration**
- **High School**

Any work completed as a school requirement or work completed independently during the course of your studies is eligible for entry. And even if you graduated within the last year and the work that you are interested in submitting to the *Student Awards 2019* was not submitted to last year's Student Awards, then you are still eligible to enter. Instructors can make group submission on behalf of their students.

You retain all rights of your images.

Entry fees start from \$20 CAD (*Early Bird Deadline: June 7, 2019*).
