

# Astronomy Photographer Of The Year 2022

Category: [Photography](#)

Deadline: March 4, 2022

Website: <https://bit.ly/3FynTXr>

**Astronomy Photographer of the Year** is an annual astronomy photography competition that is organized by the Royal Observatory, Greenwich. The competition showcases the world's best space photography, from spectacular skylscapes to mind-blowing images of distant planets and galaxies.

There are eight different categories for adult photographers (*adult entrants must be aged 16 or over*):

- Aurorae
- Galaxies
- Our Moon
- Our Sun
- People and Space
- Planets, Comets and Asteroids
- Skylscapes
- Stars and Nebulae

There are no separate categories in the Young competition (*young entrants must be aged 15 or under*). Entries may feature any astronomical subject.

**There is no entry fee.**

## Eligibility

Open to anyone worldwide.

## Prize

The overall winner is chosen from amongst all the Adult competition category winners. This winner receives **10,000 GBP** and the title of Astronomy Photographer of the Year.

The judges will also award two Special Prizes: the Manju Mehrotra Family Trust Prize for Best Newcomer and the Annie Maunder Prize for Image Innovation. Both winners will receive **750 GBP**.
