AZURE Magazine has announced AZ Awards 2022, the international architecture and design competition, recognizing excellence and innovation, and showcasing the world's best projects, products and ideas.

Now in its 12th year, the international AZ Awards program is a unique opportunity for architects, landscape architects, designers, students, developers, clients and manufacturers to receive the global exposure and acknowledgement that their work deserves.

Launched by AZURE in 2011, the AZ Awards has grown in size, scope and momentum to be internationally recognized for its influence in the

global design and architecture spheres, and has become a significant benchmark for excellence, attracting entries from some of the most innovative firms worldwide.

ELIGIBILITY

Open to anyone worldwide, as well as open to any post-secondary student enrolled in a design or architecture program in 2020.

PRIZE

Winners and finalists will be showcased online and published in the AZ Awards Annual. Winners will receive the AZ Awards trophy. In addition, the Student winner will receive a 5,000 USD cash prize.
