SOURCE: GRAPHIC COMPETITIONS

The Berlin Photo Awards 2025 is an international photography competition that celebrates creativity, innovation, and artistic excellence in visual storytelling. Open to photographers of all skill levels, including professionals, amateurs, and students, the competition provides a global platform for artists to showcase their talent. Participants are encouraged to submit their most compelling and thought-provoking images across multiple categories, reflecting a diverse range of themes, styles, and techniques. With its commitment to fostering emerging talent and recognizing outstanding photographic work, the Berlin Photo Awards has become a highly anticipated event in the global photography community.

The competition is designed to offer maximum exposure and career-enhancing opportunities for photographers at every stage of their journey. Winners and shortlisted participants gain international recognition through extensive online features, a dedicated Winners' Gallery, and social media promotions. Each submitted entry is carefully evaluated by a distinguished panel of industry experts, including renowned photographers, curators, and editors. The judging process prioritizes originality, technical skill, and the ability to convey powerful narratives through imagery. By participating in the Berlin Photo Awards, photographers not only compete for substantial prizes but also benefit from unparalleled visibility in an increasingly competitive field.

Beyond the competition, the Berlin Photo Awards serves as a hub for networking and creative exchange, fostering a dynamic photography community that extends beyond borders. The event highlights contemporary trends in photography while celebrating both classic and experimental approaches to image-making. Whether capturing the raw emotion of documentary photography, the artistic depth of fine art images, or the dynamic energy of street photography, participants have the opportunity to present their unique perspectives to a global audience. With its dedication to excellence and innovation, the Berlin Photo Awards 2025 continues to set the standard for international photography competitions, solidifying its place as a premier platform for visual artists worldwide.

Entry fee: €25 for the first photo; each additional photo receives a 10% discount.

ELIGIBILITY

Open to photographers of all skill levels and nationalities; participants under 18 require parental consent.

PRIZE

The competition offers a total of €2,000 in cash prizes. The Grand Prize winner, titled "Photographer of the Year," receives €1,000 and prominent features on the Berlin Photo Awards' platforms, including monthly front-page exposure and a year-long showcase in the Winners' Gallery. Each of the four category winners is awarded €250 and similar exposure benefits. All winners and honorable mentions receive downloadable medals, certificates, and inclusion in the online gallery, enhancing their visibility and recognition in the photography community.
