来源: GRAPHIC COMPETITIONS

Now in its eighth year, BigPicture encourages photographers from around the world to contribute their work to this competition that will both celebrate and illustrate the rich diversity of life on Earth, and inspire action to protect and conserve it through the power of imagery.

There are seven categories:

- Terrestrial Wildlife • Winged Life • Landscapes, Waterscapes & Flora • Aquatic Life • Art of Nature
- Human/Nature • Photo Story: Out of the Ordinary (4–6 images)

The objective is to remain faithful to the original experience and to never deceive the viewer or misrepresent the reality of the natural world. Localised adjustments should be used appropriately.

Entrants retain ownership and all other rights to submitted photographs.

Entry fees: 25 USD for up to 10 single image submissions in any category (Submit your photos by January 15 for 20% off entry fees).

ELIGIBILITY

Open worldwide to all photography enthusiasts and professionals alike.

PRIZE

The Grand Prize winner will receive 5,000 USD and be featured in the annual exhibit at the California Academy of Sciences. The first-place winners of the seven official categories will each receive 1,000 USD in cash and also have their winning images featured in the annual exhibit.
