SOURCE: GRAPHIC COMPETITIONS

Organised by Medicinal Bioconvergence Research Center (from Seoul National University), Seoulin Bio Science and Center of Human-centered Interaction for Coexistence, the Bio-Art Contest 2017 is an international cultural event for science and art to figure out the beauty of our life and to project this beauty to artwork.

For this 5th edition the theme is "Virtual Life", and you can submit in the following categories:

• Digital Photography • Microphotography • Computer Graphic • Video • VR contents

An individual or a group (maximum of 4 members) can participate. You may submit up to two artworks.

The panel of judges are composed with important figures from various fields such as bioscience, art, education, and others. The evaluation will be done based on the levels of creativity, skilfulness, uniqueness, and popularity.

There is no entry fee.

ELIGIBILITY

Open to anyone worldwide.

PRIZE

There will be 6 winners and 20-30 honourable mentions with a total rewards prize of 10,000,000 KRW (approx. 8,890 USD).

Moreover, there will be exhibition opportunities, including the Award from the Ministry of Science, ICT, and Future Planning.
