The Biodiversity Drawing Contest has the main objective to promote the subject of biological natural heritage, like the natural regions, the ecosystems, the habitats and the species of wild fauna and flora, through the selection and classification of works, drawings and illustrations related to this subject.

It also seeks to promote illustration and design of nature and to encourage the growth of Participants who portray the natural heritage of the wild, as well as launching the debate and reflection of society on the need to knowing, promoting and conserving biodiversity.

There are two categories: Scientific drawing and Nature drawing.

Scientific drawing, which applies concepts and techniques of drawing and elements of descriptive and informative character with scientific accuracy.

Nature drawing, which seeks to portray, through drawing techniques, wild fauna and flora species.

You may submit a maximum of 2 illustrations for each of the categories.

Entry fee is 5 EUR.
