The aim of the competition is for you to design a carpet, and CarpetVista will then provide the production. The carpet should have a modern feeling and the motif should not be too detailed. The size and shape (round, square, rectangular etc.) may vary depending on the design.

The design should suit a carpet that measures up to 2x3 metres.

The carpet will be hand-tufted or hand-woven using the highest quality materials. Depending on the motifs the materials are selected, it will be either entirely of wool or with a warp of cotton and a pile of wool. Elements of silk in the pile may also occur.

The competition has two phases. The finalists are picked by an experienced jury that has expertise in

textiles, art, design and carpet production. The designs that make it to the final will be displayed on CarpetVista and CarpetVista's visitors will cast their vote to select the winner.

There is no entry fee.
