Organised by the Dwie Siostry Publishing House, the third edition of the Clairvoyants International Competition for an illustrated children book will continue to cherish the ideas and values that had underlain the previous editions of the contest: the ambition to awake the creative potential of young artists and authors, the care for an aesthetic and editorial quality of children's books, the pursuit to determine the highest standards in the field and to support development of Polish children's books and their perception abroad.

The purpose of the competition is to prepare a project (draft) of an illustrated children's book in Polish or in English language. Submitted works should include a script or a storyboard of the whole book, together with 3 finished double spreads and the cover.
