SOURCE: GRAPHIC COMPETITIONS

The Creative Conscience Awards is a platform for innovative ideas that encompass world changing creativity. This is a visionary concept that uses creativity as a catalyst for positive change to benefit ethical, moral and worthwhile causes.

The competition is open to all students of creativity across the globe whose conscience has encouraged them to build a passion for a certain cause and presents a fantastic opportunity for them to utilise their creative talent to make a positive change in the world.

Applicants are required to submit work under one of the following six discipline areas:

• Graphics & Advertising • Illustration & Animation • Product & Structural Design • Architecture, Engineering & Interior Design • Fashion & Textiles • Film & Photography

Each entry will be judged by a panel of leading and influential creatives each of whom have unsurpassed experience for their respective fields. Entry is open to applicants working alone or in groups of up to 3 people. Creative work submitted has to have been created in the past 12 months from the start date of the competition.

Creative Conscience respects applicants' rights and does not claim copyright for works submitted to this competition; applicants will retain full copyright in each entry.

There is no entry fee.

ELIGIBILITY

This competition is open to full or part-time creative students across the globe enrolled on a recognised undergraduate, postgraduate or higher education course (HND, BTEC, BA, BSc, MSc, MA, MD or equivalent are all recognised).

PRIZE

The winners of the Creative Conscience Awards will be invited to a networking Awards Ceremony in London, providing a gateway into the professional world through mentorship or internships (through the CCA network) and profile building PR activities.
