The Creative Conscience Awards is a platform for innovative ideas that encompass world changing creativity. Creative Conscience's aim is to inspire designers to apply their talents to socially valuable projects, promoting sustainability, freedom, social health and well-being.

The competition is open to all students of creativity across the globe (or those that have graduated in the past 24 months), whose conscience has encouraged them to build a passion for a certain cause and presents a fantastic opportunity for them to utilise their creative talent to make a positive change in the world.

Applicants are required to submit work under one of the following eleven discipline:

• Advertising • Architecture, Engineering & Interior Design • Animation • Digital & Technology • Experience • Fashion & Textiles • Film & Photography • Graphic Design • Illustration • Product & Structural Design • Service Design

Entry is open to applicants working alone or in groups of up to 3 people. Creative work submitted has to have been created in the past 12 months from the start date of the competition. Creative Conscience respects applicants' rights and does not claim copyright for works submitted to this competition; applicants will retain full copyright in each entry.

Entry fee: 20 GBP (approx. 26 USD).

ELIGIBILITY

Open to full or part-time creative students across the globe enrolled on a recognised undergraduate, postgraduate or higher education course, or those that have graduated in the past 24 months.

PRIZE

The winners of the Creative Conscience Awards will be invited to a networking Awards Ceremony in London (July 2020), providing a gateway into the professional world through mentorship or internships (through the CCA network) and profile building PR activities.
