SOURCE: GRAPHIC COMPETITIONS

Design Talent is opening its gates for the seventh time. Accompanied by the tradition of the place where it is held, the city of Zlin (Czech Republic), the aim of the competition is to discover and highlight talented people, who have the potential to become the leading players of the future design scene while enhancing quality and creative design.

There are five different categories:

• Product Design • Industrial Design • Fashion Design • Interior and Public Area Design • Graphic Design

The main factor is the creativity and novelty of your work. Furthermore, it is necessary to have an innovative and original approach to the solution and it is mainly about the functionality and use of the material. In addition, do not forget the environmental friendliness of the product, that is also rated.

Each contest proposal consists of three attachments:

• Presentation poster of dimensions 100 x 70 cm (orientation – portrait) in pdf format (300 dpi) at maximum size of 300 Mb.

• Textual part which will include a concise conception description – concise commentary – the author's aim – clarification of the initial thought behind the contest proposal and how it may be used practically. The textual part shall be submitted in doc format.

• Representation photo of the contest proposal in jpg format (300 dpi) whose name will be the name of the author. It is possible to include more photos.

Only contest proposals created after January 1, 2011 and not submitted in the previous years may participate in the contest.

There is no entry fee.
