Whether you use a pencil, paintbrush or scribe, you cannot miss this Typography & Quote Art Challenge. Organised by Displate, a manufacturer specializing in creating exceptional metal posters and a platform gathering talented artists from all over the world, this contest is open to any topic you like, but the organiser would love if you stick to one of these:

- Literature and movies
- Motivational Quote
- Sport
- Lifestyle
- Philosophy
- Typography for Kids

Make sure your entry meets Displate's general upload guidelines. Only JPG/JPEG files are accepted, and they recommend generating them from a lossless original (PSD or TIFF file) and then saving the file as a highest-quality JPEG, 300 DPI with an

embedded colour profile. Short side requirement is minimum 2900px.

You can submit as many pictures you want.

There is no entry fee.

### ELIGIBILITY

Open to anyone worldwide.

### PRIZE

- 5 best artists will be awarded 200 USD
- 10 artists will receive a free M size (17.7" / 12.6") Displate with a design of their choice

Moreover, all uploaded artworks become available for purchase on Displate.com - you will retain all copyrights and earn a commission of each of your design sold.
