

Drawing Of The Year 2022

Category: [Illustration](#)

Deadline: January 31, 2023

Website: graphiccompetitions.com

Organized by Archisource, an international architectural and design collective, this competition celebrates the very best outstanding drawings and imagery created around the world by students and professionals.

Receiving thousands of entries each year, this annual competition is back for a fourth and biggest year ever - with 30,000 GBP (approx. 36,500 USD) worth of prizes to be won across 5 award categories:

- Drawing of the Year
- Architectural Award
- Environmental Award
- Narrative Award
- Visualisation Award

Entries can be created in any medium and style, but must relate to or convey: architecture, design or the built environment in some way.

There is no entry fee.

Eligibility

Open to everyone (aged 18+) from students to professionals around the world.

Prize

30,000 GBP (approx. 36,500 USD) worth of prizes. Also, all entries will receive Affinity V2 Universal Licence for free. This includes Affinity Designer 2, Affinity Photo 2 and Affinity Publisher 2 for Mac, iPad and Windows PC.
