SOURCE: GRAPHIC COMPETITIONS

The Ecuador Poster Bienal is an international competition and event focused on cultural, social, academic and professional values. Every two years the Ecuador Poster Bienal celebrates the most creative works around the world. An international jury composed of icons of design carries out an arduous process that selects the best works that represent the values of an industry in constant evolution.

As part of the Ecuador Poster Bienal an International Congress of Visual Communication is presented, which consists of a series of exhibitions, conferences and workshops. The Ecuador Poster Bienal works hard to pay tribute to the outstanding professionals in the design industry and that the next generation of creatives can show their talent to a worldwide audience and direct their careers towards the professional field.

There are five categories:

• Advertising Posters • Social, Political and Cultural Posters • Posters by Students • Posters for the Children rights (open only to residents or former residents of Ecuador) • Posters about Donald Trump

There is no limit to the number of entries submitted by each competitor. Entries must have been created/published between April 2016 and June 2018.

All works should be first submitted as digital files. Size: 500px x 700px (vertical), RGB, 72 dpi, JPG, 500Kb max.

There is no entry fee.
