SOURCE: GRAPHIC COMPETITIONS

With the aim of celebrating creativity to make social posters that invite society to build prosperity and respect for others using design, art and other cultural manifestations, the association Escucha mi Voz has now opened its Poster Contest 2021.

Regardless of the policies of governments and the conditions of any context, the power of individual decision remains. Fortunately, there are those who are building, there are those who are creating. It is thanks to them that civilization remains standing, and even manages to prosper. We have seen it with the pandemic: tens of thousands of anonymous heroes saving lives daily putting their own at risk. And we see it every day with people who selflessly bet on love and creation.

Each participant will be able to submit up to 10 posters. Posters must be original but not necessarily unpublished.

There is no entry fee.

ELIGIBILITY

Open worldwide to all designers, graphic artists, visual and plastic artists. No age limit.

PRIZE

The best 50 posters will be part of an exhibitions in Mexico and other cities around the world. Moreover, digital certificate of participation and, where appropriate, selected designer will be sent.
