SOURCE: GRAPHIC COMPETITIONS

Each year, Fumetto International Comix Festival Lucerne holds a competition to give comic creators the opportunity to compare their work, present it to a broader public and to exchange views with others.

The competition's theme 2016 is: Temptations.

Everyday we are confronted with countless temptations. When do we allow ourselves to be seduced by them – or manipulated even – and which allurements should we best stay away from? And how free are we to even resist them? Do they lead us into sweet happiness or bitter ruin?

There are three categories:

• 18 years or older • 13 to 17 years • up to 12 years of age

Format: A4 or A3, only comics (stories in picture form), no digital entries. Maximum 4 number of pages (only 1 comic-story).

There is no entry fee.

ELIGIBILITY

Open to anyone worldwide.

PRIZE

Fumetto will award three prizes in each category. There will also be a prize for the best scenario, regardless of the categories. The festival's visitors will be able to vote for the peoples choice award. The winners will receive cash prizes totalling CHF 5000 (approx. 5,200 USD) and goods to the same value.

Moreover, forty to fifty comics will be nominated by the jury for the exhibition during the festival.
