The Hiii Illustration International Awards 2024 invites submissions from illustrators, creative agencies, educators, and students from around the world. This annual competition celebrates creativity and innovation across five categories: Commercial, Publishing, Children's Picture Book, Uncommissioned Work, and Animation. With over a decade of history, the awards aim to discover exceptional talents, honor outstanding works, and contribute to the growth and development of the global illustration industry. Entrants have the opportunity to gain international recognition and showcase their work to a diverse and influential audience.

Since its inception in 2012, the Hiii Illustration Awards has attracted more than 30,000 entries from over 100 countries, reviewed by a panel of over 60 esteemed international judges. The competition is known for its rigorous three-round evaluation process, ensuring that only the most exceptional works receive recognition. Judges include renowned illustrators, designers, and creative directors from across the globe, who bring their expertise and discerning perspectives to the selection process. As a leading platform in the Asia-Pacific region and beyond, the awards provide an unparalleled opportunity for participants to connect with industry leaders and gain significant exposure.

Winning or being shortlisted in the Hiii Illustration International Awards is considered a hallmark of excellence in the field. The awards not only offer tangible benefits such as certificates, trophies, and exhibitions but also provide winners with long-term promotional opportunities, including features on the HiiiBrand website and other media channels. By fostering a vibrant community of illustrators and celebrating creative diversity, the competition continues to shape the future of the illustration industry while inspiring artists to push boundaries and innovate.

Entry fee: First round: Free; Second round: $20 for single entries, $40 for series entries; Third round: Free ($60 for Children's Book or Animation categories).
