In recognition of their 4th anniversary commemorating International Identity Day (ID-Day) on September 16, ID4Africa, as a founding member of the Identity Day Coalition, is inviting African digital artists to participate in their first-ever Design Competition.

The purpose of the design is to promote ID-Day with an impactful image that will both inspire and encourage the worldwide community to rally around this important cause. As digital artists, this will be your opportunity to use your creativity to raise awareness of identity as a key enabler of inclusive socio-economic development in all countries worldwide but most importantly in Africa.

Both Individual and group submissions are accepted. Each participant is allowed to submit up to 3 designs.

There is no entry fee.

ELIGIBILITY

PRIZE

The winning design will become the official theme design for ID-Day 2021 which will be made accessible online for re-use by the international community to commemorate the occasion. Also, the winner will receive a cash prize of 3000 USD.
