Maria Curie-Skłodowska University, the Centre for the Meeting of Cultures and Otwarta Pracownia Artistic Association in Lublin (Poland) have the pleasure to invite you to take part in the third edition of the International Poster Biennale Lublin 2017.

Although the focus remains on posters created by students of art faculties, this edition is open to professional artists as well.

Posters may be submitted in three categories:

• Student (open to students and those who have graduated in 2017) • Professional (open to all professional artists) • 700th Anniversary of the City of Lublin (open to anyone)

In the first two categories works can touch upon any subject, but they have to be created after 30 June 2015. Please do not send works that have already been awarded in other competitions (prizes like Grand Prix, first, second or third prize).

There is no entry fee.

ELIGIBILITY

Open to anyone worldwide.
