LA Design Festival returns for a ninth year, bringing a host of designers, architects, and makers together from LA and beyond to celebrate the city's rich design culture.

From architecture and interiors to graphic, industrial, fashion, set, costume, and experiential design, the LA Design Festival showcases the best of the local design scene as well as some exciting national and international voices.

The festival will be held June 20-23, 2019.

WHERE

The Festival is citywide, featuring events throughout Los Angeles.
