The Leica Women Foto Project Award 2024 represents an exciting opportunity for passionate photographers to showcase their talent and perspective. This esteemed photography competition, generously sponsored by Leica Camera Inc., is open to residents of the United States, United Kingdom, Mexico, and Canada, provided they are at least 21 years of age. Embracing the power of the feminine perspective, this award invites participants to submit a compelling photo essay that revolves around the theme, "Perspective is Power: Reclamation, Resilience, Rebirth."

This theme serves as a poignant call to action, urging entrants to encapsulate stories of transformation, renewal, and strength through their photographic narratives. The Leica Women Foto Project Award seeks to celebrate the creative prowess of individuals who can craft a captivating visual story using any make or model of the camera. This inclusivity ensures that the competition remains accessible to a wide range of photographers, regardless of their equipment. Entrants are encouraged to share a series of ten images that have been crafted between 2020 and 2023, each image meticulously selected to contribute to a singular, powerful narrative.

Moreover, the Leica Women Foto Project Award stands as a beacon of recognition for photographers who embody dedication to their craft. With a focus on the intersection of artistry and storytelling, this competition attracts individuals who have demonstrated a commitment to the medium of photography and are eager to take their work to new heights. The award’ s emphasis on the feminine perspective underscores its commitment to diversity and inclusion, fostering a platform where photographers of all backgrounds can participate and share their unique viewpoints on life’ s transformative journeys. Join the Leica Women Foto Project Award and be a part of an empowering photographic movement that amplifies the voices and visions of women in photography.

There is no entry fee.

ELIGIBILITY

The competition is open to residents of the United States, United Kingdom, Mexico, and Canada who are at least 21 years of age.

PRIZE

There will be one winner from each of the four regions (United States, United Kingdom, Mexico, Canada), and each winner will receive a $10,000 USD cash prize, a Leica SL2-S camera, and a Leica Vario-Elmarit-SL 24-70 f/2.8 ASPH lens. The total approximate retail value of all prizes is $72,360 USD. The prize money is intended for use towards a current or future photographic project. Winners may also be promoted through public relations activities as part of the Leica Women Foto Project Award.
