LensCulture’s Emerging Talent Awards 2014 is an international competition to showcase outstanding emerging photographers - from all cultures, all points of view, with no age limit.

LensCulture’s mission is to discover and share the best of contemporary photography. New and emerging photographers often make the freshest, most exciting work - but it’s hard to gain attention when you are relatively new and not widely known. That’s where LensCulture can make a big difference, to highlight many emerging talents who deserve worldwide attention.

The Awards are open to all genres of photography, all points of view, all corners of the world. Upload jpeg or png that are a minimum of 1200 pixels and a maximum of 2,000 pixels on the longest side and less than 5MB is size each.

Emerging photographers (who has not yet received significant international recognition), regardless of their age, are encouraged to enter. There is no limit to the number of images that can be submitted at one time.

All photographers retain full copyrights for their own work.

If you are not a student, you can submit a group of up to 10 images for an entry fee of $55. You may submit more than 10 images for an additional fee of $5 per additional image.
