Light Space & Time Online Art Gallery announces their 3rd Annual Open Online Art Competition. 2D artists from around the world are called upon to make online submissions for inclusion into the Gallery's November 2013 online group exhibition.

They encourage entries from artists, regardless of where they reside to apply to this competition by submitting their best representational and non-representational art.

There is no theme for this art competition, and there is no limit to the number of images that an artist can submit.

Experimental and mixed techniques are also welcome. Only 2D work is eligible, including photography (excluding video), and each file may not exceed 1MB and must be in a jpg format. No images that were selected from any previous LST Art Competition will be allowed to be entered again.

The Artist shall maintain all copyrights of any images that are submitted to LST.

The entry fee is $12.00 for two entries or $20.00 three or more, up to five entries.

ELIGIBILITY

All artists (18 years and older) worldwide are welcome to submit their entries. Professional or non-professional artists may apply.

PRIZE

A group exhibition of the top ten finalists will be held online at the Light Space & Time Online Art Gallery during the month of November 2013. Awards will be for top 10 places.

In addition, depending on the amount and the quality of the entries received, Special Merit and Special Recognition awards will also be presented as well.
