SOURCE: GRAPHIC COMPETITIONS

Adobe and award-winning director Zach Braff have teamed up to give college students a chance to win the experience of a lifetime.

To enter, students can submit their original movie posters (about anything they want) and Zach will select one winner and turn the poster concept into a three-to-five-minute short film.

Participants are asked to use any Adobe Creative Cloud app, including Photoshop or Adobe Spark Post, to make their movie poster, and share their poster on Instagram or Twitter, tagged with #MoviePosterMovie #Contest.

There is no entry fee.

ELIGIBILITY

Open only to legal residents of the fifty (50) United States and the District of Columbia who are eighteen (18) years or older at the time of entry and who are enrolled as a student in good standing at a higher education institution (college or graduate school) and taking at least twelve (12) credits or units at the time of entry.

PRIZE

The Grand Prize winner and the Runner-Up winners will each get a MacBook Pro and a one-year subscription to Creative Cloud.
