Music Crossroads Academies is a non profit organisation operating in the field of professional music education for youth in southern Africa.

For the second year they are organising a Creative Training Campus for students, teachers and also for other external local artists. The main goal of this event is to enable young musicians to generate income and improve their livelihood in the creative industry.

Part of the event is to produce a t-shirt with a new design that will be used by all the participants. They are looking for a design based on their actual logo that would give a nice look to the people wearing it.

Technical requirement: the print will be digital and on a white background. Please send your design to info@music-crossroads.net

There is no entry fee.

ELIGIBILITY

Open to anyone worldwide.

PRIZE

The winner will receive 5 t-shirts with his/her design and signature, and he/she will be promoted on social media.
