Organised by Mellow, in partnership with Bijutsutecho (the most famous art magazine in Japan), the Mellow Art Award 2020 is looking for artworks to be distributed worldwide through the â€œMellowâ€ app.

â€œMellowâ€ is an app which provides a happy, relaxing, and inspirational experience for people with busy daily lives. â€œMellowâ€ delivers not only fine art from museums around the world, but also works by young and emerging artists from Asia. (The â€œMellowâ€ app will be available in U.S. in November 2020, and planned to expand globally)

â€œMellowâ€ users receive artworks every day based on their preference and save their favorite ones. For artists, they can spread their artworks globally to reach supporters globally via â€œMellowâ€. Would you like to relax and inspire the world with your artworks? They are awaiting your application for Mellow Art Award 2020.

Static images such as oil painting, water painting, drawing, photo, and pictures etc. (Videos are not accepted). Images of 3D/installation are accepted, but will be displayed as static images on the Mellow app.

Either published or unpublished artworks are accepted. Multiple artworks can be submitted per application by an artist or a group of artists.

There is no entry fee.

ELIGIBILITY

Open to all ages, nationalities, professionals and amateurs. If a gallery manages your artworks, approval from the gallery or application by gallery is recommended.
