SOURCE: GRAPHIC COMPETITIONS

Organised by MINI Space, a brand new photography, illustration and design competition has just launched.

The theme is: The Great Open Road.

Out your door and beyond city limits, miles on end of blank canvas beg for the next adventure. In this competition, open your mind and find your source of infinite inspiration just off the cluttered freeway.

Your design should be at least 1000px on the shortest side and be in JPG or GIF format. File size limit for GIF is 100KB, for JPG 4 MB.

Your submission must be 100% original work. All entries remain the property of the participant.

There is no entry fee.

ELIGIBILITY

Open to anyone worldwide.
