**That's a Mole!** is an international illustration contest, now in its 3rd edition, where participants are asked to create an illustration, a graphic interpretation or a decorative pattern in the shape of the most important icon of the city of Turin (*Italy*): the **Mole Antonelliana** monument.

*That's a Mole!* aims to be successful in giving visibility and enhancing the participants' work, while also reinforcing and promoting the attention to culture, community and tourism in the area.

**Technique is free**, and each participant may submit up to three proposals. Artwork can be submitted by individuals and/or groups, and the final proposal must fit within the *17x40 cm* template.

Please note: *Mole* is also the English word for *Talpa Europeã*; but here it stands just for *Mole Antonelliana*, monument symbol of the city of **Turin** (*Italy*). The topic of the proposal is free and hasn't to deal with the animal!

**There is no entry fee.**

## Prize

The winning artwork will receive **1,000 Euro** (*approx. 1.100 USD*).
