The MUSE Creative Awards is an international competition for creative professionals who inspire others to greater heights. With their concepts, ideas or designs, these creatives light a fire in others to strive further, thus becoming a muse.

The MUSE Creative Awards accepts entries from advertising, graphic design, web design and video production companies from all over the world.

The MUSE Creative Awards is a part of the MUSE Awards Program, which was created by the International Awards Associate (IAA) in 2015. IAA's inception was based on a mission to honor, promote and encourage creativity by providing a new standard of excellence for evaluating media design production and distribution. IAA's mission has largely shaped MUSE Creative Awards' goals.

Entry fee starts from 105 USD.

PRIZE
