The **MUSE Creative Awards** is an international competition for creative professionals who inspire others to greater heights. With their concepts, ideas or designs, these creatives light a fire in others to strive further, thus becoming a muse.

Theme for this year is "Unleash Yourself" - Unleash yourself, speak your mind through your craft, and be crowned a MUSE. Entries must have been produced after January 1, 2021.

Judges are senior-level, experienced in their field/industry, including creative and art directors from international marketing and advertising agencies, educators, business owners, as well as disciplines from around the world, bringing industry knowledge and category-specific skill sets to evaluate every entry.

The MUSE Creative Awards is a part of the MUSE Awards Program, which was created by the International Awards Associate (IAA) in 2015. IAA's inception was based on a mission to honor, promote and encourage creativity by providing a new standard of excellence for evaluating media design production and distribution. IAA's mission has largely shaped MUSE Creative Awards' goals.

Entry fee starts from 115 USD.
