The MUSE Creative Awards is an international competition for creative professionals who inspire others to greater heights. With their concepts, ideas or designs, these creatives light a fire in others to strive further, thus becoming a muse.

Theme for this year is "Unleash Yourself" - Unleash yourself, speak your mind through your craft, and be crowned a MUSE. Entries must have been produced after January 1, 2021.

Judges are senior-level, experienced in their field/industry, including creative and art directors from international marketing and advertising agencies, educators, business owners, as well as disciplines from around the world, bringing industry knowledge and category-specific skill sets to evaluate every entry.

The MUSE Creative Awards is a part of the MUSE Awards Program, which was created by the

International Awards Associate (IAA) in 2015. IAA's inception was based on a mission to honor, promote and encourage creativity by providing a new standard of excellence for evaluating media design production and distribution. IAA's mission has largely shaped MUSE Creative Awards' goals.

Entry fee starts from 115 USD.

ELIGIBILITY

Open worldwide to agencies, graphic design companies, web and digital entities, production companies, freelancers, and anyone aged 18 and above.

PRIZE

Platinum, Gold and Silver winners will be announced across all competition categories. All winners will be announced on April 14, 2023 via MUSE Creative Awards official page.
