MUSE Design Awards, now in its second season, is an international competition for creative professionals who inspire others to greater heights. With their concepts, ideas or designs, these creatives light a fire in others to strive further, thus becoming a muse.

MUSE Design Awards categories are divided into 10 award programs: architectural, interior, product, fashion, transportation, lighting, packaging, furniture, conceptual and landscape.

The MUSE Design Awards is a part of the MUSE Awards Program, which was created by the International Awards Associate (IAA) in 2015. IAA's inception was based on a mission to honor, promote and encourage creativity by providing a new standard of excellence for evaluating media design production and distribution.

Entries must be produced within the last five calendar years up through the final deadline.

The entry fee starts at 169 USD during the Early Bird period and increases during the Regular and Final entry timeframes.

ELIGIBILITY

Open worldwide to anyone aged 18 and above.

PRIZE

The 2021 edition of the MUSE Awards statuette is elegance personified. Exquisitely detailed, the masterpiece is dressed with either pearl white, gold, or silver, symbolizing ingenuity and imagination that matches your undivided passion towards your creative vision.
