The Nikon Photo Contest has been held by Nikon Corporation since 1969 to provide an opportunity for photographers around the world to communicate and to enrich image-making culture for professionals and amateurs alike.

This year, the contest is comprised of two competitions:

- Photo Competition • Short Film Competition

The theme for the Photo Competition is "Beloved", and entrants may submit single images and photo stories (2-5 images per story). The theme for the Short Film Competition is "Next Steps", and it is divided in Short Film Category (180 to 300 second long video) and Super Short Film Category (20 to 40 second long video).

Entry is limited to original works that have not

formerly been displayed or exhibited and to which the entrant holds all applicable rights. Works that have won prizes in other contests or that have been submitted to other contests currently underway are not eligible. Works that are entered in other competitions after submitting to this contest will not be eligible.

There is no entry fee.

ELIGIBILITY

Open to all, professional and amateur, regardless of age, sex or nationality.

PRIZE

For both competitions, the Grand prize is 500,000 YEN (approx. 3,346 USD) + Z9 + NIKKOR Z lens. In addition, three special prizes will be announced as well.
