OFFF Vienna 2019 Design Festival will be held *October 4-5* under the motto of "Connect, grow and inspire people through interdisciplinary art and creativity in order to boost the knowledge exchange and collaboration."

OFFF hosts innovative and international talents to share their insightful experiences. It's the key meeting point for all talents around the world to unite and collaborate.

Founded at the beginning of the 21st century, OFFF was born as a conference event. Today, OFFF has ascended to the most influential creativity Festival to attend, it is a way of understanding creativity. Always evolving and transforming.
