ON PAPER contest is an annual international printmaking project to promote the art of printmaking and develop connections between printmakers around the world.

Each artist can submit one piece of work on a paper size of 30cm x 40cm. The print size can be any within the size of the paper.

The work must have been made using any traditional printmaking techniques, including screenprinting, lithography, etching, engraving, collagraph, monotype, block printing, woodcut, electro-etching, photo etching, photopolymer, etc. Entrants are also encouraged to use non-toxic techniques.
