来源: GRAPHIC COMPETITIONS

This competition is aimed at photographers, and is for works inspired by specific works of literature. The choice of literary form (poetry, prose, drama etc.) is open.

Words in images connect the world of photography with the world of literature. Both concern themselves with the art of observation, choosing a section of reality, transporting individual content out of direct experience, and changing perception.

You may submit one photo inspired by literature. There is no entry fee.
