

PhotoVogue Global Open Call 2023

Category: [Photography](#)

Deadline: May 15, 2023

Website: graphiccompetitions.com

PhotoVogue's Global Open Call 2023 invites artists from around the world to submit work that challenges the traditional notions of beauty.

They are looking for artists who work across formats, whether through photography, video, or both, who address the question: **What does beauty mean today?**

Every kind of visual aesthetic is welcome — from realism to fantasy, documentary-inspired to glam, direct to suggestive. You can also submit projects created with AI, as long as its use is disclosed.

There are two categories:

- PHOTO: 5-10 images with at least 3000px on the long side.
- VIDEO: one video file, maximum of 60seconds running time.

There is no entry fee.

Eligibility

Open worldwide to anyone aged 18 or over.

Prize

If your work is selected, you will be part of the main exhibition at the 2023 PhotoVogue Festival in Milan and will have the chance to be featured in an issue of Vogue. Also, two artists will each receive a 5,000 USD grant each.
