Playmoss, the tool that allows you to create music and video playlists with links from YouTube, Vimeo and SoundCloud, is proud to launch its 2015 edition of ArtWork Open Call, sending the call to all kinds of visual artists, designers and illustrators.

Participants are invited to submit a visual entry that lies halfway between art and music, creating an original cover and background for a playlist using any form of visual expression, from illustrations and photographs to designs and animated GIFs.

Your entry has to include:

• A playlist with 10 tracks selected from YouTube, Vimeo and/or SoundCloud in which the designed cover and background should be inserted.

• A cover for your playlist (Recommended size: 500 × 500 px. File format: PNG. Max file weight: 1 MB)

• A background for your playlist (Recommended size: 1920 × 1080 px. File format: JPG or animated GIF. Maximum file weight: JPEG: 1 MB / GIF: 2.5 MB)

The Jury is composed by Playmoss' staff and a panel of specialized visual artists: Alex Trochut, Dani Navarro (Forma & Co), Luna Esquerdo (Canada Films) and Aleix Artigal (Playmoss).

There is no entry fee.
