DETAILS / KEEP FOR REFERENCE

SOURCE: GRAPHIC COMPETITIONS

In 1956, RMJM set out a vision to revolutionize the architecture industry. Over the next 60 years RMJM has evolved into one of the world's largest architecture firms with over 30 studios across the globe.

To celebrate their 60th anniversary, you are invited to design a commemorative image that captures the spirit of RMJM.

To enter, simply follow RMJM on Instagram and upload your design along with the hashtag #RMJM60.

The commemorative image can be a collage, sketch, painting, digital or graphic. The original image needs to be either 420mm x 420mm or 420mm x 594mm (A4). It can capture one RMJM building or several, or it could be something completely different.

There is no entry fee.

ELIGIBILITY

Open to anyone worldwide. Entrants under 18 years of age require permission of a parent or guardian.

PRIZE

The winner will receive a 500 GBP (approx. 660 USD) cash prize and have their design featured in 30 RMJM studios around the world.
