SOURCE: GRAPHIC COMPETITIONS

For twenty-one years the Spectrum annual has been a showcase for the best and brightest creators of fantastic art from around the globe: it serves as an invaluable resource book for art directors, art buyers, publishers, and agents world-wide.

The purpose and singular agenda is the promotion of the art and artists. Spectrum is all about facilitating opportunities for creators, about growing the audience for imaginative work in all its forms, without pretension and without prejudice.

All art works in all mediums embracing the themes of science fiction, fantasy, horror, and the surreal are eligible. There are eight main categories:

• Advertising • Book • Comics/Graphic Novels • Concept Art • Dimensional • Editorial • Institutional • Unpublished

Fantastic Art can be subtle or obvious, traditional or off-the-wall, painted, sculpted, done digitally or photographed: there is no unacceptable way to create art and there are no set rules that say one piece qualifies while another does not. Imagination and skill are what matters.

If your entry is accepted, be certain that a reproduction-quality digital file (400dpi, tiff file at 9" wide x 12" tall) is available to insure the entry's inclusion in the Spectrum annual.

Entry fee: $20 per work. Series (5 related pieces or less) cost $40 per entry.

ELIGIBILITY

Open worldwide to all professional and student artists, art directors, publishers and artist representatives. Work must have been finished or first published between January 1, 2013 and January 1, 2015.

PRIZE

Each accepted entry will be reproduced in full color and given complete credit in the twenty-second Spectrum annual; the contact information for the artist or their agent/representative will be printed in the artist index.

The person who has submitted an accepted entry will receive a complimentary copy of the annual.
